

CHURCH OPEN DAILY FROM 8AM-7PM

**In November: we remember**

We remember in a special way our loved ones whose funerals took place in our Church during the last twelve months. Please visit the special memorial in the area of repose of our Church.

If you have not got your ***Holy Souls list*** yet, they are available at the doors of our church. During the nine days of the novena, we will pray for all souls, especially those we have remembered on our lists.
